C_TAW12: SAP Certified Development Associate - ABAP with SAP NetWeaver

Course Outline

Description

The "SAP Certified Development Associate - ABAP with SAP NetWeaver" certification exam verifies that the candidate possesses foundational knowledge in ABAP Development. This certificate proves that the candidate has a fundamental understanding within the Development Consultant profile and can apply the associated prerequisite skills practically under supervision of an expert consultant in a project environment.

Notes

To ensure success, SAP recommends combining education courses and hands-on experience to prepare for your certification exam as questions will test your ability to apply the knowledge you have gained in training.

You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system).

Course Duration

180 Min
