Description

The "SAP Certified Application Associate - SAP S/4HANA for Financial Accounting Associates (SAP S/4HANA)" certification exam verifies that the candidate possesses fundamental knowledge and proven skills in the area of SAP S/4HANA Financial Accounting. It tests that the candidate has a good overall understanding within this consultant profile and can implement this knowledge practically in projects under the guidance of an experienced consultant. It is recommended as an entry-level qualification to allow consultants to get acquainted within Financial Accounting projects. This certificate is the ideal starting point for a professional career as a Financial Accounting consultant on SAP S/4HANA. If experience in SAP implementation projects of Financial Accounting are added over years, a professional career can be validated by taking a second exam: "SAP Certified Application Professional - Financials in SAP S/4HANA for SAP ERP Financials experts". The certificate issued for passing this exam will be valid for 5 years.

Notes

To ensure success, SAP recommends combining education courses and hands-on experience to prepare for your certification exam as questions

will test your ability to apply the knowledge you have gained in training.

You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system).
