

EWM950: SAP ERP WM to SAP EWM Migration Workshop

Course Outline

Course announcements

SAP EWM is the go-to solution for customers implementing new warehouses or migrating to S/4HANA. For customers with an existing WM warehouse in SAP ERP it is important to know how a migration to SAP EWM can be done. SAP offers tools to migrate existing structures, settings and stock information, which will be shown and discussed in this course.

Course Duration

2 Days

Delivery Format

Classroom, Virtual Live Classroom

Course Fee
