

E_BW4HANA207: SAP Certified Application Specialist – SAP BW/4HANA 2.0 Delta

Course Outline

Description

The "SAP Certified Application Specialist – SAP BW/4HANA 2.0 Delta" certification exam verifies that the candidate has the knowledge of implementing and modeling SAP BW/4HANA required by the profile of an SAP BW application consultant. This certificate builds on both the basic knowledge gained in related SAP BW/4HANA training and documentation, as well as on practical experience gained as a member of a SAP BW team where the candidate would apply this knowledge practically in projects. The relevant software release for this certification is SAP BW/4HANA 2.0. It is highly recommended that you have passed one of these certification exams: C_TBW55_73, C_TBW60_74, C_TBW50H_75.

Course Duration

90 Min

Delivery Format

Notes

To ensure success, SAP recommends combining education courses and hands-on experience to prepare for your certification exam as questions will test your ability to apply the knowledge you have gained in training.

You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system).

Topic Areas

Please see below the list of topics that may be covered within this certification and the courses that cover them. Its accuracy does not constitute a legitimate claim; SAP reserves the right to update the exam content (topics, items, weighting) at any time.
